

Town of Sherburne, NY Planning Board Minutes June 12, 2018

Attendance: Jim Osborne, Brian Guldy, Holly Crouch, Nancy Simerl, Jim Gager, Mike Janitz

Absent: Kris Kovack

Guests: Charlie Mastro, Rowena Krum, John Phillips, two unnamed

Meeting called to order at 7:05 pm by Charlie Mastro.

Minutes from May 8 reviewed

Motion to accept May minutes by Brian Gundy; second by Holly Crouch; carried with no changes.

Old Business:

>>Planning Board really needs qualified volunteer for Chairperson.

>>Town needs copies of certificates for planning board members who attended May 3 training coordinated by Chenango County.

>>Sherburne Town Comprehensive Plan should be updated every 10 years. Review and update will be focus of July meeting.

>> Empire Packing project has moved to phase of project requiring DEC and Chenango County oversight. Town's SEQR long form provided to DEC at their request.

New Business:

>>Town resident suggested that planning board should include broad geographic representation; specifically, somebody from Knapp Road. Board responded that current board has full membership of seven, however, we welcome volunteers for the future regardless of address in the Town. There has been at least one Knapp Road region member since board was formed in 1989. Willingness to serve is the first requirement. Many residents are interested, but other obligations often interfere with scheduled active participation, so openings on the board happen occasionally.

Meeting was adjourned at 7:45 pm. Motion by Brian Guldy; second by Jim Osborne; carried.
